ABOUT HOTELHAGGLE

hotelHaggle flips the traditional hotel booking model on its head. Instead of searching for rates, you tell us what you need — and hotels come to you with their best offers. Our competitive bidding process means properties actively compete for your business, driving prices down while keeping quality up. With 86,000+ hotels across 46 states and zero obligation to book, hotelHaggle gives you the negotiating power that used to require a travel agent. One account works across all four hotelhuddle platforms.

FREQUENTLY ASKED QUESTIONS

Do I have to accept any offer? No. You receive competing offers and choose — or none at all.	How is this different from other booking sites? Hotels bid for your business. You set the terms, they compete.	Who pays the commission? Hotels pay a commission to hotelhuddle. It is never added to your rate.
